Re: Docket No. 50-275
License No. DPR-76
Licensee Event Report 81-001/01X-1

Dear Mr. Engelken:

Pursuant to Section 6.9.1.12.b of the Technical Specifications to the Diablo Canyon Unit 1 Operating License, Licensee Event Report 81-001/01T-0 was submitted to your office by letter dated October 6, 1981. It has since been discovered that a typographical error appeared in the entry titled "System Code". This revision to the LER corrects that error. This error in no way changes the consequences of the initial event, and does not affect the public health and safety.

Very truly yours,

J.D. Shiffer
