FREEDOM OF INFORMATION  
ACT REQUEST

FOIA-82-77

Rec'd 2-2-82

To Whom It May Concern:

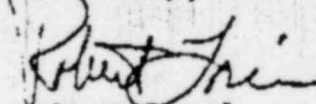

Under the Freedom of Information Act, 5 USC 552, I am requesting access to and copies of all of the Non-Compliance Reports filed with the NRC by the operators of the Crystal River Nuclear power plant. I am particularly interested in unscheduled venting of radioactive material from the plant and would like a list of all such events since January 1, 1976.

If there are any fees for the records please bill me. I am willing to pay the standard rate for photocopying. (Assuming that rate is competitive with other rates available locally.) Please bill me for the expense.

If you deny all or any part of this request, please cite the specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law.

If you have any questions about this request please call me at (813)226-3003.

Sincerely,

  
Robert Lorei  
News Director
