Re: Wisconsin Electric Power Company
Point Beach Nuclear Plant, Units 1 and 2
Docket Nos. 50-265-OLA and 50-301-OLA

Dear Judge Bloch:

Westinghouse Electric Corporation has studied carefully the briefs submitted in the above-captioned proceeding regarding the nature of balancing tests demanded by 10 CFR §2.790 as applied to the facts of this case.

The brief submitted by Wisconsin's Environmental Decade, Inc. (Decade) raises again points which the parties other than Decade have anticipated, faced, and rebutted in their testimony and briefs. Therefore, Westinghouse will not file a Reply Brief in response to the Decade Brief.

We again respectfully call to the Board's attention that Westinghouse has requested the Board plan and order a view of the Westinghouse research and testing facilities in Pittsburgh as it relates to this issue.

Very truly yours,

Francis X. Davis
