Dear Sir:

Subject: Oyster Creek Nuclear Generating Station
Docket No. 50-219
Radiological Field Operations Training Program

Enclosed is a copy of the Oyster Creek Radiological Field Operations Training Program summary which is being submitted for NRC approval as required by the Oyster Creek Technical Specifications, Appendix A, Section 6.3.2. The subject program establishes the minimum theoretical and practical ability requirements for Radiological Controls Group Supervisor and Technicians. The training program consists of initial training of selected Radiological Controls Technicians and a cyclic training program for all Radiological Controls Group Supervisors.

Very truly yours,

Peter B. Fiedler
Vice President
Director-Oyster Creek
