Director
Office of Inspection and Enforcement
US Nuclear Regulatory Commission
Washington, DC 20055
ATTN: Document Control Desk

Gentlemen:

Enclosed please find revisions that begin in June of 1981 and continue up through March of 1982. The June, 1981 Gross Thermal Energy Generated figures (#16) for Calvert Cliffs Nos. 1 and 2 were transposed. I have shown only those figures which need to be corrected.

If you have any questions, please call me.

Sincerely,

Elaine M. Lotito
