50-446

COMANCHE PEAK STEAM ELECTRIC STATION
WESTINGHOUSE RCS WIDE RANGE PRESSURE MEASUREMENTS
FILE NO: 10110

Dear Mr. Madsen:

On April 8, 1982, we verbally informed your Mr. R. G. Taylor of a deficiency identified regarding Westinghouse wide range pressure measurements.

We are continuing our evaluation and anticipate completion by July 15, 1982.

Very truly yours,

R. J. Gary
Mr. R. J. Gary
