Re: Shoreham, L.I., N.Y. Nuclear Plant

Dear Chairman Palladino:

I hope that the Nuclear Regulatory Commission will allow Suffolk County to complete its study of an emergency response plan for the LILCO plan in Shoreham, New York, rather than LILCO's draft Radiological Emergency Response Plan, which Suffolk County has disavowed. I think it is important for the people who have to live with this plan to be reassured that it is safe as humanly possible.

Thank you for your kind attention.

Sincerely,

David I. Hirsch
