Docket Nos. 50-445
50-446

COMANCHE PEAK STEAM ELECTRIC STATION
PACIFIC PUMP MULTI-VANE DIFFUSER CRACKING
FILE NO: 10110

Dear Mr. Madsen:

On April 14, 1982, we verbally informed your Mr. R. G. Taylor of a deficiency identified regarding Pacific Pump multi-vane diffuser cracking.

We are continuing our evaluation and anticipate completion by September 7, 1982.

Very truly yours,

for R. J. Gary
BR Clement
