Docket No. 50-274  
Reactor License R-113

Gentlemen:

It has been called to our attention that the copies of Revision 3 of the Physical Security Plan for the U.S. Geological Survey TRIGA Reactor Facility that were forwarded to you on March 2, 1982, may not have been complete copies.

Enclosed is a replacement copy in the event the copy you received did not include all pages. We regret any inconvenience this may have caused you.

Sincerely,

*Donald H. Rusling*

Docket No. 50-274  
Reactor License R-113

Gentlemen:

Enclosed is Revision 3 of the Physical Security Plan for the U.S. Geological Survey TRIGA Reactor Facility.

Changes in the plan have been made in accordance with provisions of 10 CFR 50.54(P). We believe these changes do not decrease the effectiveness of the security of the reactor facility.

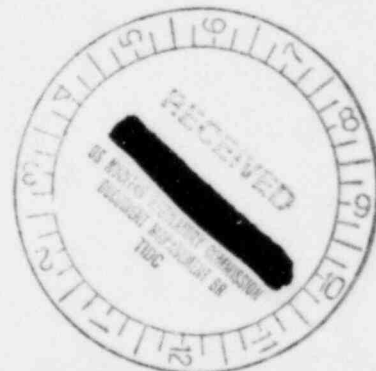

Changes in the Plan are indicated by a vertical line in the margin. Figure 6.2 has been changed to show enlargement of the Protected Area.

In accordance with 10 CFR 2.790, we request that all portions of this plan be withheld from public disclosure.

Sincerely,

Donald H. Rusling  
Reactor Supervisor
