Mr. James Miller  
Director  
Nuclear Reactor Regulations  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555

Dear Mr. Miller:

Reference is made to telephone conversation, Mr. Don Carlson, Physical Security Division, U.S. Nuclear Regulatory Commission, and MSG Charles Baines, Security Office, Armed Forces Radiobiology Research Institute, on 23 May 1980.

Enclosed are three copies of Revision 1 to the "Physical Security Plan for the AFRRRI-TRIGA Reactor Facility," submitted on 16 May 1980. This revision is submitted for inclusion into the Plan and includes procedures for accountability and theft of SNM.

Sincerely,

*Paul E. Tyler*  
PAUL E. TYLER  
CAPT, MC, USN  
Director
