Mr. James R. Miller  
Chief, Standardization & Special Projects  
Division of Licensing  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. Miller:

Due to unforeseen circumstances we would like to request a short extension of time beyond the April 15 deadline for submittal of the Annual Progress Report for the UMR Reactor (License R-79). We should be able to have it to you on or before Monday, May 3.

Sincerely,

Albert E. Bolon  
Reactor Director
