Atomic Safety and Licensing Board

Re: In the Matter of Cincinnati Gas & Electric Co.
Docket No. 50-358

Dear Judges Frye, Hooper and Livingston:

Upon reviewing Zimmer Area Citizens and Zimmer Area Citizens of Kentucky's Proposed Findings of Fact, I have noted in paragraph 44 on page 14 of that document, which was transmitted April 13, 1982, that the sentence conveys nothing.

Enclosed for insertion at page 14 is an amended page correcting paragraph 44. I apologize for any inconvenience that this may have caused.

The amended page is also being submitted to all other parties and to those to whom the original was transmitted.

Very truly yours,

ANDREW B. DENNISON
