SUBJECT: Fort St. Vrain Emergency Plan Update

Dear Mr. Rohrer:

Pursuant to the agreement for quarterly submission of emergency planning related procedures and documents, we are transmitting herein, under separate cover, a complete package of all such items that have been revised. This includes the FSV Medical Emergency Plan, Emergency Procedures, and Radiological Emergency Response Plan-Implementing.

You will now be placed on a "non-controlled" distribution list for specified procedures as discussed during the emergency preparedness appraisal audit. You will be receiving, on a regular basis, updates to these documents and procedures. It will be necessary for you to replace outdated documents as received.

If you have any further questions, please contact Mr. L. Milton McBride, (303) 571-7436, Ext. 202.

Very truly yours,
