Subject: TMI-1 Restart, Docket 50-289

Dear Members of the Board:

I wrote to you on June 1 noting that no party other than UCS had yet commented on the relationship between the Special Master's decision and P.I.D. on plant design and procedures and asking for time to respond if any reply comments did so.

Neither the Staff nor the Licensee made any substantive comment on these issues so UCS has no need to respond.

Very truly yours,

Ellyn R. Weiss
