SAFEGUARDS INFORMATION
ATTACHED

Dear Ms. Adensam:

In the Matter of) Docket Nos. 50-327
Tennessee Valley Authority) 50-328

TVA held a meeting at our Sequoyah Nuclear Plant on April 14, 1982 with NRC representatives Cynthia Perney, NRC-Region II; Charles Gaskin, NRC-NRR; and Tom Kenyon, NRC-NRR. The purpose of the meeting was to discuss the status of items listed in Appendix F of the presently proposed Physical Security Plan (PSP) and to allow NRC to tour the facility to examine these areas.

As agreed upon during the meeting, enclosed is our response which provides, as appropriate, estimated completion dates for those items in Appendix F to the proposed PSP submitted to H. R. Denton from me on January 22, 1982. We anticipate providing a revision to the proposed PSP by July 1, 1982 revising Appendix F.

The enclosed information is being sent by registered mail. The signed receipt signifies that you have received this information and acknowledge that the information contains safeguards material and should be withheld from public disclosure as provided for in 10 CFR Part 2.790.

If you have any questions concerning this matter, please get in touch with J. E. Wills at FTS 858-2683.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
