Subject: 10CFR50.59 Technical Specifications Fee  
Cooper Nuclear Station  
NRC Docket No. 50-298, DPR-46

Reference: 1) Letter from R. M. Diggs to J. M. Pilant  
dated June 4, 1982.

Dear Ms. Diggs:

Reference 1 requested Nebraska Public Power District to remit an additional sum of \$4,000 to cover a Class III fee for the portion of our April 30, 1981 application relating to changes in the safety limits since the review will involve consideration of a single safety issue. The Class II fee (\$1,200) submitted with our April 30 is still appropriate for the remaining portion of our application. Please find enclosed payment in the amount of \$4,000.

Should you have any additional questions, please contact me.

Sincerely,

Jay M. Pilant  
Division Manager of Licensing  
and Quality Assurance
