Re: Consolidated Edison Company (Indian Point,
Unit 2); Power Authority of the State of
New York (Indian Point, Unit 3); Docket Nos.
50-247-SP; 50-286-SP

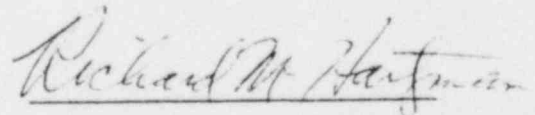

Gentlemen:

This letter is confirmation of my request during the June 14, 1982 conference call that FOE/Audubon and Parents be considered to have subscribed to the following submission of UCS/NYPIRG of June 11, 1982:

UCS/NYPIRG RESPONSE TO LICENSEES' MOTION
FOR AN ORDER COMPELLING RESPONSES TO
INTERROGATORIES OR, IN THE ALTERNATIVE,
IMPOSING SANCTIONS FOR FAILURE TO RESPOND
AND STRIKING CERTAIN CONTENTIONS

Arrangements had been made to include FOE/Audubon and Parents (I have been authorized by Parents to speak for them on this matter) as parties subscribing to said submission, but their names were omitted through an oversight. The document should be considered as the response from FOE/Audubon and Parents, as well as that of UCS/NYPIRG. Our apologies for this oversight.

Very truly yours,

Richard M. Hartzman, Esq.
Counsel for FOE/Audubon
