Re: Wisconsin Electric Power Company
Point Beach Nuclear Plant, Units 1
and 2, Docket Nos. 50-266 and 50-301,
Operating License Amendment Proceeding

Dear Peter:

As requested in your June 16, 1982 letter, Licensee has reviewed your typewritten transcription of a handwritten memorandum from G.A. Reed to Sol Burstein and T.R. Wilson, dated July 18, 1977, re: Meeting with Westinghouse on Steam Generator Tube Plugging.

Licensee's review revealed two errors in the transcription of the handwritten memorandum. In the fifth line of the second page of the typed memorandum, the word "superficial" should be "significant" (quotation marks in the original). Further, in the second comment in the margin of the text on the third page of the typed memorandum, the word "Steam" should be "Glenn" (quotation marks supplied).

Sincerely,

Delissa A. Ridgway
