Dear Mr. Toalston:

ULNRC- 563

DOCKET NUMBER 50-483
CALLAWAY PLANT, UNIT 1 Antitrust Review

Reference: 1) Your letter to John K. Bryan dated 5/13/82

As a result of your telephone conversations with Union Electric personnel on May 24 and 25, another telephone conference was held between you, Mr. Bill Lambe of your staff, and Mr. A. C. Passwater of Union Electric on June 1, 1982. The following list represents our understanding of the additional information you requested and our planned actions on each item.

- 1) Any documentation relative to a series of informal requests made from the mid 1970's to the present for various services to the City of Kirkwood. We will review our files and provide any relevant information.
- 2) The Union Electric response to a formal request by the Missouri Association of Municipal Utilities for wheeling rates and an interchange agreement. As of the date of this letter, we have not received this request.
- 3) Union Electric's response to a request by the City of Kirkwood reportedly adopted as a resolution by the City on May 13. As of the date of this letter, no such request has been received.
- 4) Any correspondence relative to meetings in August or September, 1978 between the City of Jackson and Missouri Utilities on the use of Missouri Utilities lines for transmission of excess power from the City of Kennett. In order to expedite the NRC review, we will request the subject correspondence from Missouri Utilities Company.

2999

5) Any documentation relative to a series of negotiations with the cities of Kennett, Jackson and Malden relative to a letter from Charles Wheatley, attorney for the cities, dated July 2, 1979. Again in order to expedite the NRC review, we will request the subject correspondence from Missouri Utilities.

6) Any meeting minutes from meetings held January 13 and 14 in St. Louis and Cape Girardeau, respectively regarding direct power sales to the cities of Kennett, Jackson, and Malden. We will review our files and also request any relevant information from Missouri Utilities.

7) Copies of letters from J. Oliver, Attorney for Missouri Utilities Company, to the cities of Jackson, Kennett and Malden dated February 9, 1981, March 6, 1981, and March 20, 1981 discussing emergency power, interruptible power, and transmission service. Again, we will request the relevant correspondence from Missouri Utilities.

8) Union Electric's response to a letter from Charles Wheatley to William Herr dated March 3, 1981 regarding a transmission agreement. We will review our files for the response.

9) Any documentation relative to a January 15, 1981 letter from William Herr to Charles Wheatley stating that Union Electric would require payment for a wheeling service study prior to making the study. We will review our files for related documentation.

10) Any documentation regarding requirements for telemetering for transmission services. We will review our files for any related documentation.

We will try to provide a response to these requests by July 15, 1982. If we are unable to meet this date, we will let you know by telephone.
