ACT REQUEST

FOIA-82-228
Rec'd 5-17-82

FREEDOM OF INFORMATION ACT REQUEST

Dear Mr. Felton,

Pursuant to the Freedom of Information Act, 5 USC § 552, as amended, and the provisions of 10 CFR Part 9, the undersigned hereby requests the following items:

1. Documents relating to PNO-III-81-109, concerning a suspected act of vandalism at the scram discharge volume piping of Unit 1 of the Perry Nuclear Power Plant. Docket No. 50-440.
2. Documents relating to PNO-III-82-33, concerning the Cleveland Electric Illuminating Co. and the firing of a quality control electrical inspector.
3. SECY-82-16B, Psychological Health Under the Atomic Energy Act - Draft Order. Also, if SECY-82-16 and SECY-82-16A are available and relate to the same subject, this requester would like to obtain copies of these as well.

In accordance with the Commission's policy as related in your response to my earlier FOIA request (FOIA-81-516), I request that 75% of the fees incurred for the search and production of those documents related to a contention admitted in the Perry proceeding be waived. Items 1 and 2 above relate to Issue #3 (see LBP-81-24, 14 NRC 175 (July 28, 1981)). In addition, Item 1 may have ramifications affecting Issue #5, Scram Discharge Volume pipe break (see LBP-81-24). Item 3 does not relate to a contention admitted into the Perry proceeding.

This requester agrees to accept the residual (25%) charges for Items 1 and 2 and the charges, as appropriate, for Item 3.

Thank you for your assistance.

Sincerely,

Susan L. Hiatt
