Re: Wisconsin Electric Power Company (WEPCO)  
(Point Beach 1 and 2): Docket Nos. 50-266  
and 50-301 (O.L. Amendment)

Dear Judge Moore:

Westinghouse Electric Corporation (Westinghouse), appearing specially in this proceeding, has concluded that it would not be in its best interest at this time to appeal from and file exceptions to a Memorandum and Order of the Atomic Safety and Licensing Board (ASLB) in this proceeding served May 27, 1982 (Order), and to earlier interlocutory orders relating to information which is proprietary to Westinghouse. By letter-motion dated June 9, 1982, Westinghouse had requested an extension until June 26, 1982, within which to file an appeal and exceptions, which the Appeal Board granted on June 10, 1982.

Respectfully submitted,

*Francis X. Davis*
