U.S. Nuclear Regulatory Commission  
631 Park Avenue  
King of Prussia, PA. 19406

License No. DPR-35  
Docket No. 50-293

Dear Sir:

Our next periodic joint BECo/NRC Performance Improvement update meeting has been scheduled to be held at your offices on July 7, 1982. A proposed agenda has been prepared and is attached hereto for your review.

Item two (2) of the Agenda refers to a Revised Performance Improvement Plan; these proposed revisions are in the final stages of development and will be forwarded to you for review at least five (5) days prior to the July 7th meeting.

We trust this information is responsive to your April 23, 1982 letter, and your May 25, 1982 request regarding the submittal of an Agenda.

Should there be a need for any additional information, kindly contact us.

Very truly yours

*W D Harrington*
