Re: Clinch River Breeder Reactor Plant
Docket No. 50-537

Gentleman:

On June 11, 1982, the Natural Resources Defense Council, Inc. and the Sierra Club (Intervenors) filed a Petition to the Commissioners to Exercise Their Inherent Supervisory Authority To Delineate the Scope of the Limited Work Authorization Proceeding For the Clinch River Breeder Reactor. A response to this petition was filed by Applicants Department of Energy, Project Management Corporation, and Tennessee Valley Authority on July 1, 1982.

DS03

We are writing to inform the Commission that we intend to file a reply to Applicants' response as soon as possible. Such a reply appears essential in order to dispel the misleading impression left by Applicants, as a result of their distortion beyond recognition of our arguments.

Since lead counsel for Intervenor, Ellyn R. Weiss, will be out of town until July 19, 1982, and since remaining counsel must spend the next few weeks participating in the Commission's expedited 10 CFR § 50.12 proceedings, the earliest time we expect to be able to file a reply is the week of July 19, 1982. We appreciate your indulgence in this matter, and will make every effort to reply promptly.

Sincerely,

A handwritten signature in cursive script, reading "Barbara A. Finamore".

Barbara A. Finamore

Attorney for Intervenor
Natural Resources Defense
Council, Inc. and the Sierra Club

cc: Samuel J. Chilk
Secretary of the Commission
