Docket No. 50-404

Dear Mr. O'Reilly:

In our meetings with Mr. D. G. Eisenhut (March 23, 1981) and yourself (May 5, 1981), Vepco presented a Licensing Schedule which listed key dates for North Anna Unit 3. Since that time, some items have been completed or started, while others, due to the delay in AE Selection, have been postponed. The revised schedule is being provided for your use and planning.

Very truly yours,

W. C. Spencer
Vice President - Power Station
