Re: In the Matter of the Regents of the University  
of California; UCLA Research Reactor; Docket  
No. 50-142

Dear Judge Frye:

Enclosed please find the City of Santa Monica's proposed Protective Order and Affidavit of Non-Disclosure for use in connection with the discovery of Safeguards Information in the above-captioned proceedings. Please note that the Order and Affidavit are in substance almost identical to those previously submitted by Committee to Bridge to Gap, to which, if I recall correctly, no major objection was taken (save the requirement that all parties to the proceeding execute same, which issue may be resolved in the Board's forthcoming order).

It is my understanding that the City has not, at this time, been ordered to identify and qualify those persons it ultimately wishes to have access to security information. If I am mistaken, please so advise me.

Yours very truly,

SARAH J. SHIRLEY  
Deputy City Attorney
