PHILADELPHIA ELECTRIC COMPANY  
Limerick Generating Station,  
Units 1 and 2

Docket Nos. 50-352  
50-353

DESIGNATION OF LEAD INTERVENORS

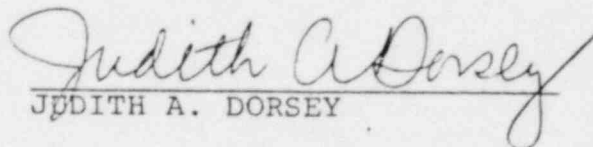

Pursuant to the Atomic Safety and Licensing Board  
Special Prehearing Conference Order of June 1, 1982,  
lead intervenors are designated as follows:

- 1) Limerick Ecology Action will act as lead intervenor  
on all Probabilistic Risk Assessment contentions  
(I-1 through I-32).
- 2) Limerick Ecology Action will act as lead intervenor  
on all emergency planning contentions (VIII-1 through  
VIII-31) with the exception of VIII-10, specifically  
designated by the Board to be handled separately  
by the National Lawyers Guild.
- 3) Limerick Ecology Action will act as lead intervenor  
for the purpose of carrying out the Board's order

that contentions I-55 and I-56 be combined to the extent that more specific contentions and their bases are to be developed upon the availability of additional information (see Order, p. 129).

- 4) Limerick Ecology Action will act as lead intervenor for contentions I-58 and I-60, which are conditionally admitted for further specification based upon the final results of the Probabilistic Risk Assessment (see Order, pp. 131-3).
- 5) Frank Romano will act as lead intervenor for contention VI-1.

Respectfully submitted,
