Re: Cleveland Electric Illuminating Company
(Perry Nuclear Power Plant, Units 1 & 2)

Dear Administrative Judges:

On July 6, 1982, Ohio Citizens for Responsible Energy filed a "Notice Of Intent To File New Contentions Based On the SER," requesting that contentions based on the SER and filed by August 18, 1982, be considered timely. The Licensing Board, of course, cannot rule on the timeliness of a contention before the contention has been filed. Whether the SER can serve as the basis for a new contention (at least as to timeliness of filing), and

whether a particular new contention in fact is based on the SER, are issues which Applicants will address in their responses to any newly filed contentions -- that is, when and if the substance and basis of any new contentions are identified.

Sincerely,

Robert L. Willmore
Counsel for Applicants
