Revision to Commitment Dates

Gentlemen:

My October 2, 1989 response to Violation 50-414/89-19 concerning the RVLIS event, committed to implement department guidance on Post-Maintenance Testing by June 1, 1990. Station training on Post-Maintenance Testing is ongoing and is scheduled for completion by July 1, 1990. To allow for the completion of this training, I have revised the commitment date to July 1, 1990.

Also, the January 1, 1990 full compliance date is incorrect. Corrective actions (4) and (5) in Section 4 of the response are scheduled for completion by January 1, 1991. The correct date is January 1, 1991.

Very truly yours,

Hal B. Tucker
