Dear Mr. Grimsley:

Pursuant to the Freedom of Information Act (5 U.S.C. § 552) and to the Nuclear Regulatory Commission's (NRC) policies and regulations (10 C.F.R. Part 9, Subpart A), I request a copy of the Office of General Counsel "guidance" that is referred to in NRC Inspection Report 50-244790-02, section 3, relating to a control room switch (see page 7). The inspection report refers to "guidance" provided to inspectors by the NRC Office of General Counsel "that the 10 CFR Part 21.21 reference to January 6, 1978, was intended to require submission of reports after that date."

I would appreciate your prompt response within ten (10) working days of the receipt of this request, as provided by 10 C.F.R. Part 9 and the NRC's policies. If you have any questions regarding this request, I can be reached at (202) 371-5876.
