Further, I request that the Board allow the "New York City Council" to file the testimony of Inspector ROBERT LITTLEJOHN, Chief Administrative Officer of the Office of Civil Preparedness of the New York City Police Department at, at a later date. I recognize that the Board has granted the "New York City Council" tremendous latitude in extending the filing date for the enclosed testimony as long as it has. Inspector Littlejohn, whose role in emergency planning for the City of New York has already been mentioned by the FEMA witnesses in this proceeding and whose testimony is clearly central to any consideration of emergency planning for New York City by this Board is due to return from vacation on July 26. It is for this reason that I request the Board's continued indulgence. Inspector Littlejohn's testimony will be filed as quickly as possible.

Very truly yours,

Craig Kaplan,
Special Counsel
