Dear Dr. Morris:

MONTICELLO NUCLEAR GENERATING PLANT E-5979
Docket Number 50-263
Amendment No. 11

Regulatory Control File No.

Attached are three signed originals and nineteen carbonated copies of Amendment No. 11 to the Monticello Nuclear Generating Plant operating license application.

This amendment submits the Technical Specifications for the Monticello Nuclear Generating Plant. You are being sent 83 copies of the proposed Technical Specifications under separate cover.

The Technical Specifications are being forwarded without Table 4.3.1, "Examination Schedule of Reactor Coolant System", which pertains to in-service inspection. This table will be submitted later pending review of applicable codes. *in separate cover*

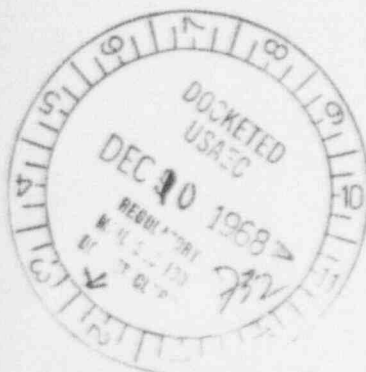

Yours very truly,

Arthur V. Dienhart
