Subject: [External_Sender] RE: [Non-DoD Source] Request for Additional Information on Amendment 5 Sampling Amendment Request
Date: Thursday, February 27, 2020 4:15:41 PM

Ms. Yadav,

I consulted with supporting personnel at US Army Corps of Engineers, Louisville District and at our contractor for environmental radiation monitoring. We quickly arrived at a consensus.

Please withdraw the Army's request to eliminate surface water sampling. This means that I will also have to revise our proposed sampling plans accordingly.

So, do you need a formal letter response along with hard copies of the latest revision of the sampling plans? If not, I will take care of the plan revisions and send them to you electronically.

Bob

Bob,

We have completed our initial review of your sampling amendment request and have developed some requests for additional information. We sent this letter in the mail on Monday, and it will be public on Friday. Here is an advanced copy, in case you want to distribute it to others.

Thank you,

Priya Yadav, P.E.
