Ron,

Here is the most recent letter of credit, updated through the 2019 surety. The 2020 surety has not been approved by NDEQ yet, so that update is pending.

[EXTERNAL EMAIL]

Good morning, Walt.

The last letter of credit (LOC) we have on file for the Crow Butte Project is dated April 2018.

As the NRC verified the 2020 surety amount in January, would you please send the latest LOC that was sent to Nebraska.

Thank you.

Ron
