Subject: [External_Sender] No work on permitting nuclear-processing
Date: Wednesday, March 04, 2020 2:30:31 PM

I believe there's a hearing going on as I write, on creating rules for judging proposals for re-processing of nuclear fuels. Please do not permit these conversations to go forward, or any work to be conducted around re-processing of "spent" nuclear fuels. Thank you. Alice Evans, Waitsfield, VT 05673
