WEST BRANCH CONSERVATION ASSOCIATION'S  
REQUEST FOR DELAY IN FILING 2.2.1  
TESTIMONY  
-----

West Branch Conservation Association received a copy of the summary of the July 29 meeting of the SGOG December 22. In it are several references we wish to pursue, NUREGs, meeting references, etc. Since no discovery period was provided on what is a new contention, we requested the July 29 meeting summary under a document request to the NRC Staff orally on November 4. We do not wish to invoke 10 CFR 2.40 because of the time constraints. We do request the ASLB to grant us until January 12, due date for others' testimony on 2.2.1 and we will scour the PDR in White Plains for whatever might already be there. Please see attached letter copy to Janice Moore, Esq. of this same date, enclosed.
