Re: Application of Philadelphia Electric  
Company, No. 50-352, 353.

Dear Judges:

Enclosed is Del-Aware Unlimited's Petition for Reconsideration or Certification for Appeal. I believe it is authorized by the Rules as stated, but if not, I request that we be given leave to file it.

Copies have been sent to all counsel.

Since preparing this Petition, we have received PECO's notice showing an increase of \$1.6 Billion in construction cost. This drastic increase will radically alter the economic viability of the "river follower" mode and will be the subject of a new contention. It has already lowered PECO's bond rating again.

Sincerely,

  
Robert J. Sugarman
