SUPPLEMENTAL TESTIMONY OF ALEX GROMACK ON BEHALF OF RCSE

The following is supporting data to testimony given by Alex Gromack, June 7, 1982.

There are a majority of recreational programs (public and private) which are held within the 10 mile EPZ. The following is a list of facilities that are frequently used for recreational programs:

Clarkstown North High School  
Chestnut Grove Elementary School  
Congers Elementary School  
Lakewood Elementary School  
Laurel Plains Elementary School  
Link Elementary School  
Little Tor Elementary School  
New City Elementary School  
Street School Community Center

Woodglen Elementary School  
Valley Cottage Elementary School  
Congers Community Center  
Rockland Project School  
Rockland Country Day School  
St. Augustine's School  
St. Paul's School  
Rockland Lake Park

Also, there are certain facilities that are just outside the 10 mile EPZ that do serve many people within the 10 mile zone, e.g. Germonds Park -- had over 4,000 residents on June 13, 1981 present for the opening of the pool. Another example: the annual July 2, 1981 Concert and Fire Works -- had over 6,000 residents in attendance at the Nanuet High School.

These are just two examples of events attracting many thousands of residents who live within the 10 mile EPZ to a facility which is located as little as one mile outside of the EPZ.

Examples of activities that use the many facilities within the 10 mile EPZ are (statistical figures of attendance attached):

T-Shirt Baseball  
Basketball  
Big Wheel Rally  
Physical Fitness  
Camping Program  
Community Center Programs & Activities  
Football  
Winter Sports  
Goblin Parade  
Ice Skating  
Instructional Programs

Kids Dog Show  
Open Gyms  
Summer Playgrounds  
Pre-school Programs  
Sr. Citizen Activities  
Softball  
Soccer  
Swimming Programs  
Special Events
