The action item for the Midland Construction Completion Program requiring revision and resubmittal of Consumers Power Company's Topical Report, CPC-1A, as indicated in our above referenced letter of January 10, 1983, has been completed. Enclosed are forty (40) copies of Topical Report CPC-1A, Revision 13, dated February 17, 1983. This revision includes the following major changes:

1. Topical Report CPC-1A is revised to reflect the integration of the Quality Control organization into the Midland Project Quality Assurance Department.
2. Topical Report CPC-1A now addresses a standard definition of the term "Safety-Related", (reference NRC memorandum H R Denton to all NRR Personnel, dated November 20, 1981, subject, "Standard definitions for commonly used Safety Classifications").
3. Topical Report CPC-1A addresses a standard definition of "Q-List". "Q-List" now includes those Safety-Related items and other activities designated by Consumers Power Company to receive coverage of the QA Program.
