Dear Mr. O'Reilly:

In the March 18, 1982 response to "Violation 413/82-03-03: Use of unapproved marker on stainless steel piping" it was noted that a schedule for additional inspections and cleaning, if deemed necessary, would be provided. The reevaluation has shown that no inspections other than normal will be needed.

I declare under penalty of perjury that the statements set forth herein are true and correct to the best of my knowledge.

Very truly yours,

Hal B. Tucker
