SUPPLEMENTARY TESTIMONY
ROCKLAND COUNTY

NAME: Dr. B. Flicker

Q. Please state your full name and address.

A. Dr. Bernard Flicker, 49 South Mountain Road, New City, New York.
10956

Q. Have you had the opportunity to review your prior testimony
as submitted before the Atomic Safety and Licensing Board.

A. Yes,

Q. Do you wish to update or supplement that testimony at this time?

A. Yes.

In September, 1982, I was appointed as a representative to the Rockland County Citizens Advisory Committee. As a member of that committee, I have been chairing the sub-committee on schools, and am currently in the process of gathering information with regard to the possibility of evacuation of school children in the event of an accident at Indian Point. That information includes:

1. A specific survey of teachers' responses to an evacuation order.
2. A specific survey of bus drivers' responses to an evacuation order.
3. A specific survey of custodians' responses to an evacuation order.

4. A specific survey of parent responses to an evacuation order.
5. A specific survey of superintendents' appraisals of the possibilities of evacuation.
6. A specific survey of school board members' appraisals of the possibilities of evacuation.

It is hoped that at least a portion of the Rockland County schools will respond to the survey which we are conducting prior to the date of Rockland County's further testimony before the Atomic Safety and Licensing Board. At such time as I testify, I will be submitting supplemental information documenting our findings.
