Subject: Midland Independent Design Verification Program

Enclosed please find Revision 2 pages to be inserted in the Project Quality Assurance Plan (PQAP) for the subject program. Changes have been made to designate additional personnel who may potentially participate in the project and their functional areas of expertise. Corresponding resumes are provided. Engineering Control Procedures ECP-5.2, "Calculation Preparation and Control," and ECP-5.2QA, "Audit Checklist for Calculation Preparation and Control," have been updated as a general revision (Rev. 3) by our Corporate Quality Assurance Department to include further detail and clarification.

Sincerely,

Howard A. Levin
Project Manager
