Subject: Fort St. Vrain Annual
Operational Exposure Report for
1982

Dear Mr. Collins:

Attached is a summary of the personnel radiation exposures at the Fort St. Vrain Nuclear Generating Station for the year 1982. This information is being transmitted in lieu of the Annual Occupational Exposure Report described in Section AC 7.5.1.b. of the Fort St. Vrain Technical Specifications since the maximum radiation exposure received by any one individual throughout the year was less than 100 millirem.

If you have any questions, please contact me at (303) 785-2224.

Very truly yours,

Don Warembourg
