Attention: Mr. James P. O'Reilly

Gentlemen:

In our previous letter concerning the above referenced subject, Georgia Power Company indicated that the NRC could expect to be notified of the results of the evaluation and its conclusions by February 28, 1983.

Based upon problems experienced in completing the evaluation, Georgia Power Company will not be able to provide this final report on the above schedule. A final report is now scheduled for submittal on April 22, 1983.

This response contains no proprietary information and may be placed in the NRC Public Document Room upon receipt.

Yours truly,

  
D. J. Foster
