Dear Mr. Lessy:

In reply to your "NRC Staff Response to Requests of Hampton Falls... to Participate as Interested Municipalit(ies)", we wish to advise you that our interests lie as follows:

- Emergency Planning for Protection of the Public
- Emergency Planning Implementation for Protection of the Public
- Emergency Planning Exercises to assure Protection of the Public
- Warning of All the Public
- Radiation Monitoring Before and After the Plant Opens
- Amount of Time in which contamination could reach the Public
(Hampton Falls Abutting the Plant)
- Insurance Coverage for the Public for an Evacuation - Both for
Severe Accidents and Precautionary Evacuation

In addition to the above, we wish to be allowed to address any other subjects on which Interested Municipalities are entitled to comment.

Would you please be so kind as to distribute this to the proper parties and to those on the Board. If we may give you any further information, please do not hesitate to let us know.

Thank you,

Rep. Roberta C. Pevear
