**UNOPPOSED MOTION OF THE STATE OF NEW YORK  
FOR AN ENLARGEMENT OF TIME TO FILE ITS REPLY**

Pursuant to 10 C.F.R. § 2.307, petitioner State of New York moves the Commission for a brief enlargement of time to reply to the answer filed in the above-captioned proceeding, from March 16, 2020 to and including March 23, 2020. Entergy Nuclear Operations, Inc.; Entergy Nuclear Indian Point 2, LLC; Entergy Nuclear Indian Point 3, LLC; Holtec International; and Holtec Decommissioning International, LLC (collectively, the Applicants) do not oppose the State's request. In support of this motion, the State offers the following:

1. This matter concerns an application to the Nuclear Regulatory Commission by the Applicants for permission to transfer the licenses for the Indian Point

Nuclear Generating Station (Indian Point) and the Indian Point independent spent fuel storage installation. On February 12, 2020, the State submitted a petition to intervene in the license transfer proceedings under 10 C.F.R. § 2.309 and requested a hearing. On March 9, 2020, the Applicants filed a 106-page answer responding to the State’s petition. The State’s reply is currently due to be filed on March 16, 2020.

2. The prompt, safe, and successful decommissioning of Indian Point—and, thus, the proposed transfer of the Indian Point licenses—is a matter of great concern to the State, its agencies, and its residents. While the State has devoted and will continue to devote significant resources to the prosecution of its petition to intervene in this proceeding, undersigned counsel’s other professional obligations—including a pending state-court appellate matter for which briefing coincides with briefing in the instant license transfer proceeding—limit the time available to research and respond to the issues raised in the Applicants’ extensive answer.

3. Further, undersigned counsel’s briefing in this matter is subject to review by senior staff in the Office of the Attorney General, as well as by the Office of the Governor and senior staff in two executive branch agencies. Additional time is therefore necessary to ensure adequate time for internal review and comment.

4. As required under 10 C.F.R. § 2.323(b), the State consulted with counsel for the Applicants Paul Bessette on March 11, 2020. Mr. Bessette courteously indicated that the Applicants do not oppose the State’s request for an enlargement of time to file its reply.

\* \* \*

For the foregoing reasons, and upon good cause shown, the State requests that the Commission grant this motion for an enlargement of time and modify the deadline by which the State must file its reply in this proceeding from March 16, 2020 to and including March 23, 2020.

March 11, 2020  
Albany, New York

Respectfully submitted,

LETITIA JAMES
