Gentlemen:

Suffolk County has received LILCO's Opposition to Suffolk County's Motion to Add an Emergency Diesel Generator Contention, dated May 16, 1983, and the NRC Staff Response to the County's motion, dated May 18, 1983. The County expects to file shortly with the Board a motion for leave to respond to the LILCO Opposition and the Staff Response, which will contain important new information.

Very truly yours,
