Docket No. 50-244-0L

RESPONSE TO ORDER OF JULY 8, 1982

In accordance with the Licensing Board's Order of July 8, 1982, Rochester Gas and Electric Corporation (RG&E) responds as follows:

1. RG&E and the Staff have conferred regarding further proceedings.

2. A number of issuances remain to be completed. These are being identified to the Licensing Board with their anticipated issuance dates by the Staff. Staff and RG&E agree that these issuances should be completed before further proceedings are undertaken. RG&E therefore suggests that discussion of matters concerning discovery, prehearing conferences, and hearings are at this time premature and should be postponed pending issuance of the documents being identified by Staff.

Respectfully submitted,

LeBOEUF, LAMB, LEIBY & MacRAE
