Floating Aerator Test Cancellation  
File: CN-702.13

Dear Mr. Eleazer:

A request was made to and approved by your office in June 1993 to conduct a floating aerator test for the sanitary treatment system. Upon further evaluation by system operators and chemistry staff this test has been canceled and will not be performed.

Thank-you for the review and approval provided and we apologize for any inconvenience this may have caused. Should you have any questions concerning this letter please give me a call at (704) 875-5965.

Sincerely,
