RESPONSE TO IE INSPECTION REPORT 50-324(325)/82-45

Dear Mr. O'Reilly:

Carolina Power and Light has received your letter dated February 7, 1983, transmitting IE Inspection Report 50-324/82-45 and 50-325/82-45 and finds that it does not contain any information of a proprietary nature.

Carolina Power and Light is still evaluating the violations contained in that report and finds that we will not be ready to address those reports in the time required. As discussed with Mr. C. W. Hehl of your office on March 8, 1983, the response to this report will be submitted by March 18, 1983.

Very truly yours,
