In the Matter of
Union Electric Company
(Callaway Plant, Unit 1)
Docket No. STN 50-483 OL

Dear Mr. Reed:

I believe that the tables of contents and tables of cross references to NUREG-0654 planning standards/evaluation criteria, both of which are included in the State and local plans, should be adequate to enable you to locate those portions of the plans which are relevant to your contentions. Nevertheless, in an effort to be helpful, we have prepared, and you will find enclosed, a list which references portions of the plans to your contentions. Naturally, I cannot warrant that the listing is complete.

Sincerely,

Thomas A. Baxter
